## Metal Finishes

**Polished Chrome** – Shiny, reflective, and modern; great for contemporary and minimalist designs.

**Brushed Nickel** – Soft, muted silver tone with a slightly textured look; works well in transitional and modern spaces.

**Polished Nickel** – Similar to chrome but with a warmer, slightly golden undertone; elegant for classic or contemporary styles.

**Satin Nickel** – A more subtle and less reflective version of brushed nickel; widely used in modern and transitional designs.

**Matte Black** – Bold, sophisticated, and sleek; complements modern, industrial, and farmhouse styles.

**Oil-Rubbed Bronze** – Dark brown with copper undertones, offering an aged, antique look; great for traditional and rustic designs.

**Antique Brass** – A darker, aged brass with warm, vintage appeal; works well in classic or old-world interiors.

**Brushed Brass** – A softer, muted gold tone; blends well with modern, contemporary, and modern spaces.

**Polished Brass** – Bright, shiny gold; traditional and elegant, but can also work in trendy, modern spaces.

**Aged Pewter** – A dark gray-silver finish with an antique patina; great for rustic or farmhouse looks.

**Copper** – Reddish-orange metallic tone; striking in modern, industrial, or rustic spaces.

**Satin Gold** – A soft, muted gold tone with a modern, luxurious feel.

### DARK TONES

### WARM TONES

## Painted & Coated Finishes

**Matte White** – A clean, modern choice that blends well with contemporary or Scandinavian interiors.

**Powder-Coated Black** – A more durable, textured black finish, often used in industrial or modern designs.

**Colored Enamel** – Can be custom-matched to any color for a unique, decorative look.

## Mixed Material & Specialty Finishes

**Glass or Acrylic** – Clear, frosted, or colored options that feel light and contemporary.

**Wood Accents** – Natural or stained wood mixed with metal for a warm, organic touch.

**Leather-Wrapped** – High-end, luxurious handles featuring wrapped leather detailing.

**Marble or Stone Inlay** – A mix of stone and metal for a sophisticated look.
